Dear Examiner,

This communication is filed in response to the Office Action dated November 3, 2006 and issued by the United States Patent and Trademark Office in connection with the above identified Application. A response to the Office Action was due on February 3, 2006.

As unintentionally the applicant failed to respond until this date (the response was ready already on February 2007. However, due to a mistake it was not sent to the Examiner), a Petition for Revival of an application for patent abandoned unintentionally under 37 CFR 1.137(b) is attached, with the required fee according to 37 CFR 1.17(m) [\$ 750.-]. Therefore, this response should be considered to be timely filed.

Request for Continued Examination under 37 CFR 1.114

A Request for Continued Examination including the fee set forth in 37 CFR 1.17(e) [\$ 395] is attached to this communication.
